**Our scholarships can help you see  
your future with 20/20 vision.**

## The CPA Education Foundation wants to help fund your dreams

We offer scholarships for all kinds of post-secondary students: from first years to fourth years, business and accounting students are encouraged to apply. Whether your goals revolve around leadership, volunteerism, academic excellence, or your future career, we have the scholarship to help develop your talents and get you where you want to go!
