

Program Overview

Concordia University of Edmonton

Bachelor of Education (After Degree)

Value-Added Components

Employment Processes

The Employment Processes Program is a service offered to students in Year Two of Concordia's Bachelor of Education (After Degree) program. The program is designed to enhance students' understanding of the diversity of provincial school authorities and is intended to help 'open doors'.

Bridges Bursary Program

Bridges is a professional development bursary program offered by Concordia to new graduates of the Bachelor of Education (After Degree) program to fund volunteer time in the classroom following completion of their studies.

The Bachelor of Education (After Degree) is a two-year elementary generalist program leading to a degree that fulfills the requirements for certification as a teacher in Alberta. The BEd (AD) is comprised of four semesters. Studies throughout the program are designed around the knowledge, skills and attributes (KSA's) that are defined by Alberta Education's Teaching Quality Standard.
