## Program Planner 2014-2015

While your degree planning is directed by the specific requirements for your chosen program, it is also driven by your own personal interests; therefore, it is most effective when you are the master of your own academic planning.

Please be aware of all prerequisites, corequisites, and other registration regulations for all courses required within your degree. Program planning can be very effective to identify potential courses needed in addition to specific requirements. Refer to section 4.0 in the Concordia Calendar for more information regarding registration policies. You are responsible for registering in and completing the courses necessary to obtain your degree. The Concordia Calendar is the final authority regarding program requirements and academic regulations.
