Discover **ARTS DUAL DEGREES**

Bachelor of Arts (French) & Licence Lettres Modernes

FIRST OF ITS KIND IN ALBERTA!

Earn your international dual degrees in French, in both Canada and France!

This brand new three-year program allows you to begin your Bachelor of Arts degree in French at Concordia University of Edmonton, and then complete your final year at our partner university in France.

This is an incredible new and unique opportunity and you'll earn two degrees upon completion: your Bachelor of Arts (French) AND your Licence Lettres Modernes (the European equivalent)!

Studying abroad is the best method of improving language fluency, and you get to explore local culture in a more meaningful way as well as making lifelong memories.

VISIT FRANCE!

Why consider this opportunity?

Why wouldn't you? Travelling opens up your horizons in so many different ways:

1. How often do you get the opportunity to travel to France? This will be an amazing personal and educational experience, in a European country.
2. Learn about other cultures - did you know that the French province of Brittany has a strong Celtic culture?
3. World travel helps you develop global skills and allows you to enjoy new experiences as well as builds your confidence and self-reliance.
4. Make friends around the world - you'll meet amazing people along the way, creating lifelong friendships and cultivating your personal network.
5. Perfect your language and communication skills in its native environment.
6. Learn about yourself - education is all about personal growth and discovery; travelling abroad enhances that!
7. Enhance employment opportunities - you'll develop a wider, cultured, global perspective, which makes you an attractive candidate to future employers.
8. Enhance the value of your degree - this could be a once in a life time opportunity. Make the most of it!

Université Bretagne Sud was founded in 1995. It is a multidisciplinary institution with two main campuses situated in Lorient and Vannes, Brittany, France. It offers academic programs from bachelor's level to the doctorate in different areas: humanities, social sciences, engineering, computer science, biochemistry, mathematics, law, economics and business. It has developed recognized research skills in 4 major fields: materials, coastal and marine studies, social usages and practices, IT.

University of South Brittany places special emphasis on: student life and welfare, innovation (e.g. new master's program in cyber defense; co-op programs at all levels; new technological platform on high-performance materials); top-edge research; industry partnerships and technology transfer; and international student mobility.

PROGRAM OVERVIEW

Perfecting your communicative skills in oral and written French qualifies you for positions requiring competencies in Canada's other official language.

Concordia University of Edmonton's French program is built upon dynamic principles that give you a sound basis in French Grammar. These concepts are presented in meaningful contexts so that the acquiring of communicative skills is paralleled by a growing awareness of the cultural and literary traditions of Francophone countries.

Our instructors are committed to enlivening the study of French through the introduction of contemporary video and other resource materials into the course materials.
