

3-Year Bachelor of Arts French Exchange Program – Université Bretagne Sud-France

Program Planner 2018-2019

We now also offer an International Double Degree. You can begin your 3-year degree at Concordia University of Edmonton and complete your 3rd year at Université Bretagne Sud-France. You will earn both a Bachelor of Arts in French from Concordia University of Edmonton and the Licence Lettres Modernes from Université Bretagne Sud-France. If you are interested in studying at the Université Bretagne Sud-France, please contact Concordia's International Office at the beginning of Year 2.

While your degree planning is directed by the specific requirements for your chosen concentration and minor, it is also driven by your own personal interests; therefore, it is most effective when you are the master of your own academic planning.

Please be aware of all prerequisites, corequisites, and other registration regulations for all courses required within your degree. Program planning can be very effective to identify potential courses needed in addition to specific requirements. Refer to [section 4.0](#) in the *Concordia University of Edmonton Calendar* for more information regarding registration policies.

You are also responsible for registering in and completing the courses necessary to obtain your degree as per [section 10.0](#). The *Concordia University of Edmonton Calendar* is the final authority regarding program requirements and academic regulations.
