Construction Bulletin

112 Avenue Over Wayne Gretzky Drive – High Load Damage Repair

Construction

PCL Construction Management Inc. has been contracted to complete a high load damage repair at 112 Avenue over Wayne Gretzky Drive. The scope of work includes demolition and concrete repairs of a damaged concrete element.

Equipment and trucks will be used during the repair process, which may result in some noise near work areas.

Typical hours of operation will be:

- 8:00 p.m. - 5:30 a.m. Monday – Friday
- 8:00 p.m. - 9:00 a.m. Saturday and Sunday

PCL Construction Management Inc. received permission from the City of Edmonton to work overnight through a relaxation of the City's Noise Bylaw. This allows crews to work beyond the standard time regulations in the bylaw (7 a.m. to 9 p.m., Monday to Saturday, and 9 a.m. to 7 p.m., Sunday) for the time it takes to complete the work.

Schedule

Construction will begin the week of September 17, 2018. The project is expected to be completed in October 2018, weather permitting.

Traffic Accommodation

There will be a lane closure on Wayne Gretzky Drive southbound during work hours. One lane and the 112 avenue exit will stay open during work hours. During the day, all lanes will remain open.

There will be a full closure on the north walkway during the entire scope of work, pedestrians will be directed to the south walkway.

There will be a lane closure on 112 Avenue westbound during the entire scope of work.

Information

For information about the project, please visit the City of Edmonton website.

For further information, please contact the City of Edmonton #311.
