

SOUTHWEST UNIVERSITY

I. First-level programs authorized to offer doctoral degrees (28)

Agricultural Economics and Management
Agricultural Engineering
Animal Science
Biology
Agricultural Resources and Environment
Applied Economics
Crop Science
Chemistry
Chinese Language and Literature
Chinese History
Marxist Theory
Ecology
Computer Science and Technology
World History
Plant Protection
Geography
Food Science and Engineering
Pharmaceutical Science
Philosophy
Horticulture
Foreign Languages and Literatures
Fisheries Science
Pedagogy
Mathematics
Science of Physical Culture and Sports
Veterinary Medicine
Psychology
Statistics

II. First-level programs authorized to offer master's degrees (51)

Agricultural Economics and Management
Agricultural Engineering
Applied Economics
Art Theory
Horticulture
Agricultural Resources and Environment
Drama and Film Studies

Animal Science
Biology
Law
Chinese Language and Literature
Business Administration
Chinese Pharmacy
Chemistry
Mathematics
Computer Science and Technology
Chinese History
Fisheries Science
Crop Science
Pedagogy
Environment Science and Engineering
World History
Grassland Science
Design
Philosophy
Food Science and Engineering
Landscape Architecture
Marxist Theory
Ecology
Physics
Foreign Languages and Literature
Mechanical Engineering
Music and Dance
Ethnology
Psychology
Journalism and Communication
Pharmaceutical Science
Plant Protection
Fine Art
Sociology
Materials Science and Engineering
Software Engineering
Political Science
Forestry
Statistics
Science of Physical Culture and Sports
Textile Science and Engineering
Public Management
Geography
Science of Library, Information and Archival
Veterinary Medicine

III. 111 Undergraduate Programs, 35 Institutes

1. Agronomy and Biotechnology, College of

Agriculture

Plant Science and Technology

Regional Rural Development

2. Animal Science, College of (Rongchang Campus)

Animal Pharmacy

Animal Science

Aquaculture Science

Aquatic Science and Technology

Veterinary Medicine

3. Animal Science and Technology, College of

Animal Science

Aquaculture Science

Veterinary Medicine

4. Biotechnology, College of

Biotechnology

Sericulture

5. Business College (Rongchang Campus)

Computer Science and Technology

Information Management and Information System

Public Affairs Management

Marketing

6. Chemistry and Chemical Engineering, School of

Applied Chemistry

Chemistry

Chemical Engineering and Technology

7. Computer and Information Science, School of

Automation

E-commerce

Education Technology

Information Management and Information System

Network Engineering

Software Engineering

8. Culture and Social development Studies, School of

Cultural Industry Management

Public Relation

Social Work

9. Economics and Management, College of

Accounting

Agricultural and Forestry Economics and Management

Economics

Finance

Human Resources Management
Science of Business Administration
Tourist Management

10. Education, Faculty of

Education
Pre-school Education
Special Education

11. Electronic and Information Engineering, College of

Communication Engineering
Electronic Information Engineering
Electronics Science and Technology

12. Engineering and Technology, College of

Electrical Engineering and Its Automation
Mechanical Design
Manufacturing and Automation
Vehicle Engineering, Agricultural Machinery and Automation
Civil Engineering
Agricultural Architecture Environment and Energy Engineering

13. Fine Arts, School of

Fine Art
Painting
Sculpture Studies
Visual Communication Design

14. Food Science, College of

Food Quality and Safety
Food Science and Engineering
Packaging Engineering
Tea Science

15. Geographical Science, School of

Geographical Science
Geographical Information Science
Human Geography, Urban and Rural Planning

16. History, Culture and Ethnology, School of

Ethnology
History

17. Horticulture and Landscape Architecture, College of

Horticulture
Landscape Architecture
Scenic Landscape Architecture

18. International Studies, College of

English Language and Literature
German Language and Literature
Japanese Language and Literature
Russian Language and Literature

- 19. Journalism and Communication, School of**
Broadcasting and Hosting Art
Journalism
Radio and Television Directing
- 20. Law, School of**
Law
- 21. Liberal Arts, College of**
Chinese International Education
Chinese Philology
Drama Film and Television
- 22. Life Sciences, School of**
Bioengineering
Biological Science
- 23. Marxism Studies, School of**
Education in Ideology and Politics
- 24. Materials and Energy, Faculty of**
Material Physics
Metal Materials Engineering
- 25. Mathematics and Statistics, School of**
Mathematics and Applied Mathematics
Statistics
- 26. Music, College of**
Dancing Studies
Music Performance
Musicology
- 27. Pharmaceutical Sciences and Chinese Medicine, College of**
Pharmaceutical Engineering
Pharmaceutical Science
- 28. Physical Education, College of**
Theory of Sports Pedagogy
Theory of Sports Training
- 29. Physical Science and Technology, School of**
Physics
- 30. Plant Protection, College of**
Plant Protection
- 31. Political Science and Public Administration, School of**
Administrative Management
Philosophy
Politics and Public Administration
- 32. Psychology, Faculty of**
Applied Psychology
Psychology
- 33. Resources and Environment, College of**
Environmental Engineering

Environmental Science

Forestry

Agricultural Resources and Environment

Hydrology and Water Resource Engineering

Land Resources Management

Soil and Water Conservation and Desertification Combating

34. Textile Garment, College of

Clothing Design

Light Chemistry Engineering

Textile Engineering

35. Westa College

Biotechnology

Economics

Electronic Information Engineering

Food Quality and Safety
