Volunteering is a work of HEART!

We are looking for energetic volunteers who would like to engage our seniors in a variety of activities.

Our programs vary from afternoon socials (such as birthday parties or music events) to evening get-togethers (such as Pub Night, Bingo or Games nights).

Greater Edmonton Foundation is a non-profit organization that serves seniors. Our volunteer program offers a range of experiences including organizing, coordinating and initiating a variety of activities with as few as two or three hours per week. Spending time with seniors offers students a variety of personal growth opportunities including a sense of purpose, learning something new, helping others and connecting with a vital part of the community.

Talk, laugh and share with our residents. Become a volunteer with us today!
