THE CUCKOO KAZOOS

‘The Cuckoo Kazoos’ is a performance put on by the Music 490 class that will be performed at Caroline’s Carnival. The driving force behind this idea was the want to showcase the music department. Our goal through this performance is to engage the audience using the skills we have learned. We combine well-known songs from four genres: Country, Rock, Musical Theatre, and Disney, combining songs like “Bohemian Rhapsody”, “Livin’ On A Prayer”, a self-made Disney medley, and much more. We are also including a classical medley to show our diverse talents. ‘The Cuckoo Kazoos’ includes the piano talent of Christina Sawchuk, and the vocal talents of Alexis Battellino, Faith Swedgan, Shanika-Marie Adamkewicz, Christina Sawchuk, Kira Dawson, and Teagan Kamstra, all accompanied with kazoo harmony.

Research Advisors: Glenda Stirling and John Brough
