## THE RECITALISTS

In 2019, Concordia University of Edmonton's Music Department had five young women showcase their knowledge, talents, and education through senior recitals. Gerdiene Trautmann, a Music Major/Drama Minor wowed her audience when she performed her voice recital *What Is Woman?* Christina Sawchuk, a Music Major/English Minor displayed her beautiful piano skills in her recital *Emerge*. Kira Dawson, a Music Major/French Minor created a magical experience when she sang in her recital *Enchanted*. Isabela Ramos, a Music Major/ Physical Education and Sports Studies Minor made history when she became the first Music Major to study hand-bells in Canada. Her recital *The Ringing Artistry* showcased her incredible hand-bell technique. Joanna Wittmeier, a Music Major/French Minor had the hearts of the audience soaring

with her piano recital *Taking Flight*. All five of these women worked tirelessly to create a unique recital experience, and these posters reflect the passion that each woman has for their craft.
