ART EXHIBIT

"Inspired by cultural shifts in these first decades of the 21st century such as international Women's Marches and the #MeToo and #TimesUp movements, the art works in this exhibition question societal perceptions of women, art making itself, and express how the featured artists define what it means to be a woman and how they personally wish to be seen." - The Alberta Foundation for the Arts Travelling Exhibition Program

Focus Group PARTICIPANTS NEEDED

We are looking for feedback on our Student Housing model and would absolutely love your input! Concordia has contracted an external company to complete a full review of our Student Housing model and provide a comprehensive plan for continuing development.

A crucial part of this process is gathering feedback from our most important stakeholders: YOU the student! If you are available, we would hugely appreciate the opportunity to let your ideas guide our development process.

Both focus groups will be on Wednesday October 16th in HA 206

Current Off-Campus Students: 4-5pm

Current Residence Students: 5:30-6:30pm

Please reach out to the Residence Life team if you have any questions and thank you for considering sharing your valuable input and ideas with us as we continue to chart a dynamic course forward!
