PARTICIPANTS NEEDED

We are looking for feedback on our Student Housing model and would absolutely love your input! Concordia has contracted an external company to complete a full review of our Student Housing model and provide a comprehensive plan for continuing development.

A crucial part of this process is gathering feedback from our most important stakeholders: YOU the student! If you are available, we would hugely appreciate the opportunity to let your ideas guide our development process.

Both focus groups will be on Wednesday October 16th in HA 206

Current Off-Campus Students: 4-5pm

Current Residence Students: 5:30-6:30pm

Please reach out to the Residence Life team if you have any questions and thank you for considering sharing your valuable input and ideas with us as we continue to chart a dynamic course forward!
