

SOUTHWEST UNIVERSITY

I. First-level programs authorized to offer doctoral degrees (28)

Agricultural Economics and Management

Agricultural Engineering

Animal Science

Biology

Agricultural Resources and Environment

Applied Economics

Crop Science

Chemistry

Chinese Language and Literature

Chinese History

Marxist Theory

Ecology

Computer Science and Technology

World History

Plant Protection

Geography

Food Science and Engineering

Pharmaceutical Science

Philosophy

Horticulture

Foreign Languages and Literatures

Fisheries Science

Pedagogy

Mathematics

Science of Physical Culture and Sports

Veterinary Medicine

Psychology

Statistics

II. First-level programs authorized to offer master's degrees (51)

Agricultural Economics and Management

Agricultural Engineering

Applied Economics

Art Theory
Horticulture
Agricultural Resources and Environment
Drama and Film Studies
Animal Science
Biology
Law
Chinese Language and Literature
Business Administration
Chinese Pharmacy
Chemistry
Mathematics
Computer Science and Technology
Chinese History
Fisheries Science
Crop Science
Pedagogy
Environment Science and Engineering
World History
Grassland Science
Design
Philosophy
Food Science and Engineering
Landscape Architecture
Marxist Theory
Ecology
Physics
Foreign Languages and Literature
Mechanical Engineering
Music and Dance
Ethnology
Psychology

Sociology

Materials Science and Engineering
Software Engineering
Political Science
Forestry
Statistics
Science of Physical Culture and Sports
Textile Science and Engineering
Public Management
Geography
Science of Library, Information and Archival
Veterinary Medicine

III. 111 Undergraduate Programs, 36 Institutes

*Students who study these programs are trained to be primary or secondary school teachers upon graduation.

1. Agronomy and Biotechnology, College of

Agriculture
Plant Science and Technology
Regional Rural Development

2. Animal Science, College of (Rongchang Campus)

Animal Pharmacy
Animal Science
Aquaculture Science
Aquatic Science and Technology
Veterinary Medicine

3. Animal Science and Technology, College of

Animal Science
Aquaculture Science
Veterinary Medicine

4. Artificial Intelligence, College of

Artificial Science and Technology
Big Data Science
Automatic Control and Robot Engineering

5. Biotechnology, College of

Biotechnology
Sericulture

6. Business College (Rongchang Campus)

Computer Science and Technology

Information Management and Information System

Public Affairs Management

Marketing

7. Chemistry and Chemical Engineering, School of

Applied Chemistry

Chemistry

Chemical Engineering and Technology

*Chemistry Education

8. Computer and Information Science, School of

Automation

E-commerce

Education Technology

Information Management and Information System

Network Engineering

Software Engineering

*Computer Science Education

9. Culture and Social Development Studies, School of

Cultural Industry Management

Public Relations

Social Work

10. Economics and Management, College of

Accounting

Agricultural and Forestry Economics and Management

Economics

Finance

Human Resources Management

Science of Business Administration

Tourist Management

11. Education, Faculty of

Education

Pre-school Education

Special Education

*Teacher Education

12. Electronic and Information Engineering, College of

Communication Engineering Electronic

Information Engineering Electronics
Science and Technology

13. Engineering and Technology, College of

Electrical Engineering and Its Automation
Mechanical Design
Manufacturing and Automation
Vehicle Engineering, Agricultural Machinery and Automation
Civil Engineering
Agricultural Architecture Environment and Energy Engineering

14. Fine Arts, School of

Fine Art
Painting
Sculpture Studies
Visual Communication Design
*Fine Art Education

15. Food Science, College of

Food Quality and Safety
Food Science and Engineering
Packaging Engineering
Tea Science

16. Geographical Science, School of

Geographical Science
Geographical Information Science
Human Geography, Urban and Rural Planning
*Geography Education

17. History, Culture and Ethnology, School of

Ethnology
History
*History Education

18. Horticulture and Landscape Architecture, College of

Horticulture
Landscape Architecture Scenic
Landscape Architecture

19. International Studies, College of

English Language and Literature
German Language and Literature
Japanese Language and Literature

Russian Language and Literature

*English Education

20. Journalism and Communication, School of

Broadcasting and Hosting Art

Journalism

Radio and Television Directing

21. Law, School of

Law

22. Liberal Arts, College of

Chinese Philology

Drama Film and Television Literature

Teaching Chinese to Speakers of Other Languages

*Chinese Education

23. Life Sciences, School of

Bioengineering

Biological Science

*Biology Education

24. Marxism Studies, School of

*Education in Ideology and Politics

25. Materials and Energy, Faculty of

Material Physics

Metal Materials Engineering

26. Mathematics and Statistics, School of

Mathematics and Applied Mathematics

Statistics

*Mathematics Education

27. Music, College of

Dancing Studies

Music Performance

Musicology

*Music Education

28. Pharmaceutical Sciences and Chinese Medicine, College of

Pharmaceutical Engineering

Pharmaceutical Science

29. Physical Education, College of

Theory of Sports Pedagogy

Theory of Sports Training

*Physical Education

30. Physical Science and Technology, School of

Physics

*Physics Education

31. Plant Protection, College of

Plant Protection

32. Political Science and Public Administration, School of

Administrative Management

Philosophy

Politics and Public Administration

33. Psychology, Faculty of

Applied Psychology

Psychology

*Psychology Education

34. Resources and Environment, College of

Environmental Engineering

Environmental Science Forestry

Agricultural Resources and Environment

Hydrology and Water Resource Engineering

Land Resources Management

Soil and Water Conservation and Desertification Combating

35. Textile Garment, College of

Clothing Design

Light Chemistry Engineering

Textile Engineering

36. Westa College

Biotechnology

Economics

Electronic Information Engineering

Food Quality and Safety
