Student Internship – Canadian Student Participation in the NASA International Internship (NASA I²) Project

The Canadian Space Agency is inviting students to participate in the [NASA International Internship \(NASA I²\) Project](#). This is not a research grant, but an internship award. Please contact [Financial Aid and Awards](#) for further instructions on internal requirements by Concordia University of Edmonton.

The objective of this Announcement of Opportunity (AO) is to pre-select Canadian undergraduate and graduate students to participate in internship projects offered by NASA, along with U.S. students and students from abroad. Internships provided through the NASA I² Project prepare students for future missions that require innovative thinking and cooperation with international collaborators.

KEY DATES:

- ⇒ Summer 2020 session (10 weeks): Open for applications
- ⇒ Publication date: October 30, 2019
- ⇒ Application deadline: December 6, 2019, at 2:00 p.m. (ET)
- ⇒ Approximate internship start and end dates: June 1, 2020 to August 7, 2020
- ⇒ Number of internships: up to 2
- ⇒ Funding from CSA: \$2,000/selected candidate and a possibility of \$6,000 from other sources.
- ⇒ For more information, visit the website at [https://asc-csa.gc.ca/eng/funding-programs/funding-](https://asc-csa.gc.ca/eng/funding-programs/funding-opportunities/ao/2019-nasa-i2.asp)

Vacancy Announcement for a Research Internship at Bielefeld University's Faculty of Biology (Germany) within the framework of the Alberta OWL Cooperation

Open to:	Students (Biology, Molecular Biology, Environmental Sciences, Life Sciences, Ecology or similar) from the University of Alberta, MacEwan University, Northern Alberta Institute of Technology, Concordia University of Edmonton
Posting Date:	October 15, 2019
Application Closing Date:	December 15, 2019
Short information:	Duration 6 weeks minimum (8 weeks recommended as a minimum) up to 3 months; Starting time negotiable (e.g. May to July 2020); Unpaid; Supervision and reference letter guaranteed.

Bielefeld University is a young innovative research university with 25.000 students and more than 2.700 employees in Northwest Germany. This modern location for top-level research and education abides by the principle of excellent cross-disciplinary research and teaching.

Bielefeld University's Faculty of Biology has three key research areas: "Individuality & Interaction", "Sustainability & Resource Efficiency", "Networks: from genes over metabolism to diversity" (www.uni-bielefeld.de/en/biologie/forschung).

With its 22 Research Groups (www.uni-bielefeld.de/en/biologie/researchgroups), it is one of Bielefeld University's largest faculties. The following groups are participating in the exchange program

- A) Active Sensing, Animal Behaviour, Biological Cybernetics, Cognitive Neurosciences, Neurobiology
- B) Animal Ecology, Chemical Ecology, Evolutionary Biology, Experimental Ecology & Systems Ecology, Theoretical Biology
- C) Algae Biotechnology & Bioenergy, Cell Biology, Cellular and Developmental Biology of Plants, Computational Biology, Genetics and Genomics of Plants, Genetics of Prokaryotes, Plant Biochemistry and Physiology, Proteome and Metabolome Research, RNA Biology and Molecular Physiology.

About the Internship:

The intern gets the opportunity to gain work experience in one of the named Research Group:

- Work in a well-equipped laboratory collecting valuable work experience.
- Get insights into research work in Germany. Choose the Research Group that fits to your main interests.
- Research project possible: You will have the opportunity to advance your own research project or to join existing ones. Benefit by collecting ideas or material for a paper or for your thesis.

Requirements:

- Student of Biology, Molecular Biology, Environmental Sciences, Life Sciences, Ecology or similar at one of the above named Canadian institutions.
- Student in the fourth semester and up (at least 3 semesters completed when starting the internship).
- Lab course or other practical experience is obligatory.
- The internship will be in English (no German language skills required).

Application:

Please submit the following documents in a single PDF-file prior to the closing date:

- Letter of motivation (max. 1 page, please state your earliest starting date for the internship as well as the desired duration, please state your main focus and interests within your studies, please name the research group for which you are most interested).
- CV in a table (for an example please see www.uni-bielefeld.de/internship-in-owl).
- A copy of your transcript (attended courses and grades).

Information about the Alberta OWL Cooperation: www.uni-bielefeld.de/owl-ab

Please contact the International Office of your institution to submit the application and for further questions. Please find the right contact person under www.uni-bielefeld.de/internship-in-owl

Vacancy Announcement for an Internship at Bielefeld University's Faculty of Law (Germany) within the framework of the Alberta OWL Cooperation

Open to:	Students (Law, Business Law, Political Science, Criminology or similar) from the University of Alberta, MacEwan University, Northern Alberta Institute of Technology, Concordia University of Edmonton
Posting Date:	October 15, 2019
Application Closing Date:	December 15, 2019
Short information:	Duration 6-8 weeks (8 weeks recommended) from May to June 2020 ; Paid (600€-1.200€ in total depending on the duration); Supervision and work certificate guaranteed.

Bielefeld University is a young innovative research university with 25.000 students and more than 2.700 employees in Northwest Germany. This modern location for top-level research and education abides by the principle of excellent cross-disciplinary research and teaching.

Bielefeld University's Faculty of Law with 29 full time professors and 4.000 law students offers first-class training in legal theory, doctrine, and practice in order to broaden and deepen legal and interdisciplinary thought. The faculty has produced leaders in law, government and society who play an active role in the legal and political discourse in Europe through numerous publications, lectures and academic conferences or by serving as counselors to the Federal and State Government as well as political parties. In 2018, Bielefeld University's award for outstanding achievements in teaching went to a law professor.

About the Internship:

The intern gets the opportunity to get an insight into the work environment of the Faculty:

- Everyday business of a Law Faculty in Germany. Get insights into Comparative and International Criminal Law, Comparative Criminal Procedure and Comparative Civil Law, Constitutional Law, Administrative Law and International Law.
- Research and teaching duties.
- International research project possible (please bring ideas). The Faculty offers panels for discussion.

Requirements:

- Student of Law, Business Law, Political Science, Criminology or similar at one of the above named Canadian institutions.
- At least one year of study left at the home institution.
- Interest in getting an insight into the German legal system.
- Research project desirable, but not mandatory (e.g. doing research on a specific question, writing a paper etc.).
- Basic German language skills are required.

Application:

Please submit the following documents in a single PDF-file prior to the closing date:

- Letter of motivation (max. 1 page, in English or in German, please state your earliest starting date for the internship as well as the desired duration, please state your main focus and interests within your studies, please state if you have a research project you work on).
- CV in a table (in English or in German, for an example please see www.uni-bielefeld.de/internship-in-owl).
- A copy of your transcript (attended courses and grades) (no German translation needed).
- A proof of basic German language skills (e.g. evidence of attended German classes or written explanation).

Information about Bielefeld University's Faculty of Law: www.jura.uni-bielefeld.de/en

Information about the Alberta OWL Cooperation: www.uni-bielefeld.de/owl-ab

Please contact the International Office of your institution to submit the application and for further questions. Please find the right contact person under www.uni-bielefeld.de/internship-in-owl

Vacancy Announcement for an Internship at 'mieletec' in Germany

Open to:	Students from the University of Alberta, MacEwan University, Northern Alberta Institute of Technology, Concordia University of Edmonton
Posting Date:	16 October 2019
Application Closing Date:	15 December 2019
Duration:	Negotiable, up to six months
Starting time:	Negotiable

The research lab 'mieletec' is offering an internship. 'Mieletec' is a longstanding cooperation between the Faculty of Engineering Sciences and Mathematics of Bielefeld University of Applied Sciences and the household appliance producer Miele & Cie. KG.

Miele & Cie. KG is a global player with its head office in North-West Germany and is successfully represented in 47 countries by company-owned sales organizations and in about 50 additional countries via importers.

'Mieletec' conducts applied research on prospective household appliances working closely together on concrete projects with Miele & Cie. KG. The objective is knowledge development in the fields of electrodynamics, thermodynamics, and fluid mechanics for household appliances to improve resource efficiency and benefit the potential end-user. Students get the opportunity to contribute to experimental and theoretical research to strengthen their profile and to gain work experience in Germany.

The internship will take place in Bielefeld, Germany. The internship will be in English. German language skills are not necessary. Payment depends on the intern's skills. It is also possible to write a degree thesis during the internship.

Requirements:

- Student of Electrical Engineering, Computer Sciences, Mathematics, Physics, or similar.
- Advanced year of study (at the end of the undergraduate studies and up). - Interest in doing applied research in the above-mentioned fields.

Application:

Please submit the following documents in a single PDF-file:

- Letter of motivation (max. 1 page, please state the desired starting date and duration).
- CV in a table.
- A copy of your transcript (attended courses and grades).

Please submit your application in English. No German translation of documents necessary.

Please contact the International Office of your institution to submit the application and for further questions. Please find the right contact person under <https://www.uni-bielefeld.de/internship-in-owl>
