

Highlands Sing and Stroll with the Concordia Concert Choir

Sunday, Dec. 8 from 3 pm to 5:30 pm

Coming to a street near you: a carol-singing group performing for you and your neighbours on the street in locations around Highlands. Our singers will be the Concordia Concert Choir, a mixed choral ensemble of 30 young singers from Concordia University. They are directed by Dr. Joy Berg and regularly perform for concerts and special events. They will be touring in China next spring.

This event, made possible by a city grant, is sponsored by the Highlands Abundant Community team, Highlands Community League, and Concordia.
