An Optimistic Pessimism

PRESENTED BY DR. HUD HUDSON
(PHILOSOPHY DEPARTMENT, WESTERN WASHINGTON UNIVERSITY)

FEB 11 2020 • 11 AM - 12 PM IN AW 207

In these trying times the philosophy of pessimism is well grounded, independent of religious orientation. However, this pessimism is even more austere for the Christian who takes the doctrines of the Fall and Original Sin seriously. Yet these doctrines have been invoked as a kind of optimism through which the philosophy of pessimism can be tempered. Dr. Hudson will critically examine this proposal according to which our current predicament may be regarded as a fortunate fall.
