SOROPTIMIST INTERNATIONAL CLUB OF EDMONTON LIVE YOUR DREAM AWARDS

A scholarship opportunity for women who are caretakers for their families. The Live Your Dream Awards offers three levels of cash awards. Ultimately, a Live Your Dream Awards finalist has the potential to receive up to \$16,000 to help offset tuition costs, purchase books, get transportation, or find reliable childcare so she can worry less about how to pay her bills and focus on reaching her dreams.

The Soroptimist online portal is only open until November 15, 2020 but our Edmonton club will continue to accept applications by email until **December 30, 2020**. Visit the [Soroptimist International Club of Edmonton](https://www.soroptimist.org/Edmonton) website for more information and to apply.

2021 TED ROGERS MANAGEMENT CONFERENCE

The Ted Rogers Management Conference (TRMC) is organized by a team at the Ted Rogers School of Management at Ryerson University in Toronto. It is one of the most prestigious undergraduate student conferences in North America and typically takes place in Toronto during the month of March. In 2021, however, TRMC will be taking place **virtually (online)** from **March 4th - 6th, 2021!**

At the conference, the world's brightest undergraduate students and many high-profile professionals come together for 3 days of workshops, networking, keynote speaker events, a case competition, and other exciting activities!

Undergraduate students from all faculties are welcome to apply regardless of their program of study as long as they will be **at least 19 years of age at the time of the conference.**

Delegate applications are open until November 30th, 2020 for Canadian delegates, and until **January 10th, 2021 for international delegates**, through the following link: <https://ryersontrmc.ca/apply/>

When applying, it will ask you to indicate an External Campus Ambassador referee in the drop-down menu. Select "**Christian Potolicki**", who is CUE's External Campus Ambassador for TRMC 2021.

There are a limited number of delegate positions available for the conference, and all applications will be evaluated through a blind application process to remove any biases in delegate selection. The quality of your application will be the only thing that the 3rd party application reviewers will be considering, not who you know or your school.

If you are successful in your application for a delegate position, the cost for the conference will be about **\$45 CAD for students attending Canadian universities**, and **\$25 USD for students attending international universities outside of Canada.**

It is rumoured that the delegate packages TRMC is preparing for domestic delegates will surpass this dollar amount in terms of value, so the conference will definitely be worth it in that sense, never mind the unique activities and networking opportunities involved in the conference itself!

Applying is FREE, and if you are a successful applicant but change your mind about attending the conference later on, **acceptance can be declined without penalty!**

Partial reimbursement of the conference fee may also be available through the CSA. Please contact Christian Potolicki for further information on this, or with any other questions about the application process or the conference itself, via the following email: managementreps@student.concordia.ab.ca

<https://ryersontrmc.ca/>

Christian is also available to answer any questions on Google Meet from 4 - 5 PM every Tuesday and Thursday for the remainder of the Fall semester using the link provided here:

<https://meet.google.com/btm-ftbg-tzw>

Best of luck and we hope to see you there representing CUE at TRMC 2021!
