Note: Undergraduate psychology courses don't count/substitute for graduate-level PsyD courses (e.g., CUE's PSY 305 [*Ethical Issues in Professional Psychology*], 431 [*Theory & Practice of Psychometrics*], and PSY 433 [*Personality Assessment*] don't, for example, count/substitute for the PsyD's PSY 605, 631, or 636. Even if students took these undergraduate courses, they must take them again in the doctoral program. PsyA certificate and diploma courses, however, do count. If they've taken PSY 605, 631, or 636 they can transfer these courses into the PsyD program.
