# Get involved, become a CUE STUDENT AMBASSADOR!

## The Program

The Student Ambassador program is a volunteer program that focuses on providing support for events on and off campus, providing campus tours, and allowing non-Concordia students the opportunity to shadow and see the school from your point of view. At Concordia University of Edmonton, we focus on bridging the gap between the students, the faculty, and the community.

## Our Focus

As a volunteer team we encourage connections between the community and the university. Each Student Ambassador has an array of choices each term to pick from that allows them to tailor their experience of the program. Under the recruitment office, the Ambassador program focuses on the promotion of the University within its events. Student Ambassadors have become an integral part of CUE by assisting with both our recruitment and marketing events. Ambassadors are key representatives of the university and provide a vital service in promoting post-secondary education.
