**GO ABROAD**

CONCORDIA  
UNIVERSITY  
OF EDMONTON

## **STUDY ABROAD**

---

With more than 87 partners across 28 countries, our International Office offers you incredible Study Abroad opportunities. Earn credit towards your degree while traveling! No second language required! Funding is available to make this dream a reality, including travel bursaries provided by Concordia University of Edmonton (CUE).

## **INTERN ABROAD**

---

Looking to gain valuable work experience while exploring a new country? Our partner universities often have internship opportunities available over the summer. Browse the program finder for internship opportunities on our website and apply before the deadline.

## **SUMMER ABROAD**

---

Combine traveling with learning and immerse yourself in Brazilian culture over a four-week stay with students from across CUE. Beginning in mid-late May, CUE students spend a week at four different partner universities in South Brazil, participating in coursework on topics such as public and global health, global topics and trends, biotechnology and more.

**In addition to this program, there may be others offered at our partner universities around the world. Please contact the International Office for more information.**

## **MANAGEMENT DUAL DEGREE - CHINA**

---

With CUE's unique four-year Management International Dual Degree program, you complete years one and four of your Bachelor of Management degree at CUE, and years two and three at the International Business School of Beijing Foreign Studies University (BFSU) in China. Graduate with two degrees! – A Bachelor of Management degree from CUE and a Bachelor of Management or Economics degree from BFSU, China.

## **ARTS DUAL DEGREE - FRANCE**

---

You'll double your degrees in three years with this unique transcontinental program! Begin a Bachelor of Arts degree with a concentration in French at CUE, then complete your final year at Université de Bretagne Sud in Lorient, France. You'll earn both a Bachelor of Arts in French and Licence Lettres Modernes (the French equivalent)!
