

# Impact Grant | Application

### PART ONE

Impact Grants provide support for knowledge mobilization activities and other forms of research dissemination. Impact Grants aim to mobilize and/or leverage existing and ongoing research, particularly grant-funded research. The grants are intended to encourage innovative and effective approaches to disseminate, transfer, exchange, synthesize, and broker research results to audiences inside and outside the academic community, including knowledge users.

#### Previous Funding (if applicable)

If applicable, please describe any awarded funding (internal or external) that you have received in the past three (3) years. List additional sources of funding sought, including the funding agency, amount requested and date of application, and indicate if the application was successful or not.

Relationship to Other Research Support (if applicable)			
Has this application, or parts of it, been submitted to another competition?	Yes	No	
Will this application, or parts of it, be submitted to another competition?	Yes	No	

If the same application, or a closely-related one, has been submitted to another sponsor and you obtain funding, you may still participate in the competition. However, if you receive both awards, you will have to decline one of the awards. CUE's Internal Research Grants program, and most granting agencies, do not allow duplicate requests for funding. All applications for external funding must be reported to the Office of Research Services.
