Did you receive government funding for the 2021-2022 academic year? If you received student loans or grants, you may be sent forms for your taxes. Learn more about the types of tax forms [here](#).

A T4A is a statement of income for grants, scholarships and awards related to your education. You'll receive a T4A if you got \$500 or more from a combination of these sources the previous tax year. For example, if it's 2022, your T4A reflects the period of January 1, 2021 to December 31, 2021.
