RECENT THEFTS ON CAMPUS

There were two backpacks and some other items stolen from the gymnasium in the Ralph King Athletic Centre on Monday afternoon. Some of the stolen items were recovered. The incidents were reported to campus security and the Edmonton Police Service. Please store your valuables securely if they are needed at Concordia. Do not leave them alone, even for that quick visit to the washroom, as that can be all the time it takes for a theft to happen.

If you see a suspicious person on campus you can assist, call campus security on 780 479 8761 and if you feel comfortable, ask the person if they need help. This friendly question lets the person know they have been seen and may deter them from a crime or if there is no ill intent, you can help them with directions or the like. You are the extra eyes and ears to keep our campus safe and secure.

CAMPUS SECURITY WILL BE LEAVING THE NOTICE BELOW ON SOME ITEMS THAT ARE NOT SECURE TO HIGHLIGHT THE POSSIBILITY OF THEFT.

THEFT ALERT

This item was left unattended. A dishonest person would have **STOLEN** this property.

Concordia is a great place, but crime does happen in the best of places. Don't leave your valuables unattended-- the short time you've spent away from this item was an open invitation to take it.

Even a few minutes at the printer or your quick visit to the bathroom is all it takes to lose your valuables.

Thank you,
Concordia Security

CATALYTIC CONVERTER THEFTS

Concordia security received reports of a catalytic converter thefts in the area. After contacting Edmonton Expo security, we became aware of more thefts reported to Expo. We are concerned by this and want to hear from you if you have experienced a theft in the Z parking lot near the Expo Centre or see suspicious activity.

Concordia Security's phone number is 780 479 8761, or email at commissionairesconcordia@gmail.com

Expo Security patrols the Z lot, their phone number is 780-471-7222, the Edmonton Police Service 780 423-4567 is also aware of crime in this area and has been patrolling and Concordia security is looking at ways to improve security for the parking lot.

REMINDER TO EXPO "Z" PASS HOLDERS

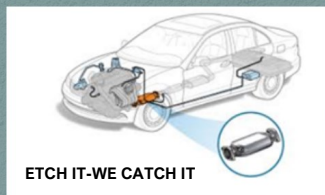

Due to the recent thefts of vehicle catalytic converters at the Expo Centre and adjacent lots; we want to remind Expo Z passe holders those passes are valid in the main Concordia lots between 6:00 PM and 6:00 AM. Monday through Friday and all day Saturday and Sunday.

You Etch It-We Catch It

STOP CATALYTIC CONVERTER THEFTS

Leduc RCMP came up with a new strategy, "You Etch It. We Catch It", of etching the vehicle identification number (VIN) onto the catalytic converter.

[LEARN MORE](#)

Metal scrap yards have been advised that if they receive catalytic converters with VINs on them, they are most likely stolen and to call police.

There are a few other things people can do.

- Install an anti-theft device (eg: steel shield covering the catalytic converter; a cage made out of rebar; stainless steel cables welded from the converter to the vehicle frame)
- Paint it using high-temperature paint (eg: BBQ spray paint) and inscribe the VIN on it.
- Set the vehicle alarm to detect vibration.

BSwiss - Swiss International Business Summer School 1 to 12 August 2022

Overview	The BSwiss - Swiss International Business Summer School in Basel (Switzerland) is a two-week programme open to Swiss and international bachelor's students. During two exciting and challenging weeks, participants attend courses, visit companies, discover local culture and establish networks with people from Switzerland and around the world.
Objectives	<p>Every student...</p> <ul style="list-style-type: none"> • Gains insight into the most relevant models and methods in the fields of competitiveness, innovation and international immigration. • learns from world class institutions like the Federal IPR-Institute. • can hone his/her ideas with university lecturers. Group presentations/case studies have to stand the test of the experts. • fosters internal collaboration and communication by working successfully in intercultural teams. • has read some scientific articles from research journals.
Programme	<p>The seminar focuses on subjects typically taught in the first two years of business application studies: global competitiveness, innovation and international migration.</p> <p>The programme features a guided tour of Basel as well as excursions to cultural and historical sites in the city and beyond; it also includes field trips to different Swiss companies. Company visits provide students with first-hand experience related to the theory discussed in the classroom.</p>
Place	Basel, Switzerland
