

URSCA 2022 Information for Presenters

Abstract Submission

Length is limited to 250 words. Abstracts should be text only and formatted as a MS word document (.doc or .docx). Please do not include figures, unusual characters, or formulas. Submissions will be reviewed by the 2022 URSCA Abstract Review Committee. The decisions of the committee are final.

Due to technical restrictions, we have limited the number of oral and poster presentations. Acceptance of an abstract is required to present during the conference. Abstract acceptance confirmations will be sent via email no later than April 15th, 2022.

The duration of each presentation will be strictly monitored to ensure that all students have sufficient time for their presentations.

Poster Presentations

Poster presenters do not need to submit their posters to the URSCA 2022 committee ahead of the meeting. Posters should preferably be designed to be 90 cm high and 120 cm wide, and in landscape format. Presenters will have 10 minutes to introduce the poster in their assigned Zoom room, followed by 5 minutes for questions from the judges.

Oral Presentations

Oral presentations are limited to 15 minutes, followed by 5 minutes for questions.

Students that have been selected for oral presentations can prepare them using the software of their choosing and will present them directly in the Zoom room via screensharing during their assigned session.

Abstracts should be submitted to urca@macewan.ca no later than 4:00pm on April 1st, 2022.
