PARKING INFORMATION

Main Parking Lot

Due to the major construction happening on the WEST side of campus, the parking in the main lot is limited for the next academic year. Precise Parklink will only be selling hourly parking thru the existing pay terminals. These pay terminals are located at:

1. Ralph King Athletics Center,
2. Inside the main entrance of HAC, and,
3. Inside the breezeway near the library.

Z Pass Parking- Expo Center parking lot (north side of 112 Ave)

Long-term parking passes for the Expo Center parking (north side of 112 Ave) will be available for purchase [online](#) or at the Bookstore. There are a limited number of passes and are first-come-first-served.

The passes are sold on a first-come-first-served basis. For students wishing to purchase passes [online](#), please go to Online Services Student > Resources (drop-down menu) > Parking Pass. Once you click on Parking Pass, the page will direct you and you will need to follow the onscreen instructions. The contract must be filled out and there is an option of adding two no. plates.

Once you have ordered your pass online, you will then need to visit the Bookstore during business hours (9 am to 3 pm, closed on weekends and holidays) to collect your parking pass. Please remember to bring your Student ID card and a copy of the contract (digitally or printed) otherwise we will not be able to release the pass to you.

- Students who live, or have applied to live in residence, should let the Residence Coordinator know they require a parking pass as soon as possible.
- Students with documented *mobility disabilities* can email learningaccommodations@concordia.ab.ca with questions about parking.

Financial Aid and Awards

Government Student Loans & Grants

Canadian students can receive a mix of student loans and grants from both Alberta and Canada. How much you get depends on your financial and academic situation. There are loans and grants available for FULL- TIME and PART-TIME students. Submit one application to be considered.

The 2022-2023 Alberta Student Loan application is now available on the AB Student Aid website: studentaid.alberta.ca.

1. **Apply Early!** Applying early ensures your funding is in place by September when fees are due.
2. **Your MyAlberta Digital ID account protects your identity.** Do not share your username or password.
3. **Submit your own application.** Don't let anyone apply for you. Never provide your personal information for someone else to create an account for you.
4. **Need help applying?** Get answers to your funding questions and help submitting your student loan application! Sign up for a personalized appointment with us. Book your virtual Google Meet appointment at bit.ly/CUE-FinAidCal

To learn more about how student loans work, watch this [Orientation Presentation](#) or visit the Alberta Student Aid website at studentaid.alberta.ca.

Alexander Rutherford Scholarship

The [Alexander Rutherford Scholarship](#) recognizes and rewards academic achievement of Alberta high school graduates and encourage them to pursue post-secondary studies. Students can apply online on the [Alberta Student Aid website](#). For more information on the Alexander Rutherford Scholarship, including eligibility and how to apply visit www.studentaid.alberta.ca.

Alex Decoteau Award of Honour Value \$5000

The Alex Decoteau Award of Honour recognizes the sacrifice of Canada's brave veterans and their families and supports them in their post-secondary pursuits in Alberta. This award helps meet the Alberta Government's commitment to make it easier for Canadian veterans and their families to transition from service to the next steps in their careers. An individual may receive a lifetime maximum of two awards. Canadian Armed Forces members must be returning soldiers who: actively served in

designated military operations in the Canadian Armed Forces (Regular or Reserves), or were permanently disabled as a result of participation in Canadian Armed Forces training.

Submit the completed application form and all supporting documentation to Alberta Student Aid by October 31, 2022. For more information on eligibility and how to apply for the Alex Decoteau Award of Honour, visit: <https://studentaid.alberta.ca/scholarships/alex-decoteau-award-of-honour/>

EASY ACCESS TO HEALTH CARE

In partnership with Dialogue, Gallivan has launched a virtual health-care service, which provides students with unlimited 24/7 access to licensed health experts, including doctors, nurse practitioners, and care coordinators who will direct them and their families to the correct specialists and facilities.

- Decrease pressure on Campus Health Services
- Decrease wait time to speak with a doctor or nurse practitioner etc.
- Scale – to accommodate growing needs
- Improve student experience
- Enhance support for students
- Reduce the shuffle within the system
- Ensure efficient use of resources to deliver care
- Increase quality care
- Offer more immediate access

OUR PARTNERSHIP

Our proprietary service provides virtual health-care services to our members through Dialogue’s virtual platform, which is available via the web or through a mobile application that students can download. Unlimited access to the following is available:

- **24/7 bilingual care** available across all **10 provinces**
- **Fast access** to medical professionals via chat, video, or phone
- **Video consultations** with licensed doctors and nurses
- **Referrals and requisitions** with specialists and labs
- **Free delivery** of prescriptions to a nearby Rexall (where available in certain provinces), another local pharmacy, or the student’s door
- **Care navigation and concierge** accompanying patients to the right resources
- **Proactive follow-up** with a member of their care team

CONNECTING WITH A PROFESSIONAL

Members are guaranteed to be able to speak with a medical professional within 10 minutes of completing the questionnaire on the application. If consultation with a doctor or nurse practitioner is required, they will be connected with one of these practitioners within 1 hour during regular business hours and within 2 hours between 8 pm and 8 am.

ABOUT DIALOGUE*

- Nearly **1,500 daily visits** and over **750,000 consultations** to date
- Over **850 professionals** fully trained in virtual care
- **Over 1,000** corporate clients
- **300,000+** individuals with access

**Based on most recent available numbers*

Renewable and Sustainable Energy Management

A Necessary Field in Energy & Resource Security

With the growing call to action on climate change, it is imperative that organizations closely monitor their energy consumption while ensuring they are conserving resources, saving costs, and meeting consumer demands. Energy managers take on this challenge by creating proactive strategies to meet an organization's energy targets.

This course, Renewable and Sustainable Energy Management, introduces students, graduates, and professionals to the tools and techniques that can be used to manage or coordinate energy sources, such as geothermal, hydro, and solar. Upon completion of the course, you will understand the roles of Energy Managers and Energy Coordinators in a company as well as how to evaluate, implement, and control a sustainable energy management plan.

Who Should Take this Course?

There are no prerequisites for this course and is open to anyone who is wanting to either establish themselves or upgrade their skills in the energy efficiency industry.
