Master of Science in Information Technology – MSc in IT

Program Planner 2023-2024

Please be aware of all prerequisites, corequisites, and other registration regulations for all courses required within your program. Program planning can be very effective to identify potential courses needed in addition to specific requirements. Refer to section 13.0 in the *Concordia University of Edmonton Calendar* for more information regarding registration policies.

You are also responsible for registering in and completing the courses necessary to complete your program as per section 13.3.5. The *Concordia University of Edmonton Calendar* is the final authority regarding program requirements and academic regulations.

Program Requirements

33 credits required, to include:

a. IT 501
b. IT 502
c. IT 503
d. IT 504
e. IT 505
f. IT 506
g. IT 571
h. IT 572
i. IT 581
j. IT 550
k. 6 credits in unspecified graduate (500 or higher) level IT courses

Students must maintain a minimum GPA of 3.0 with no course grade less than 2.3 (C+).

In addition to the above program requirements, students in all graduate programs must successfully complete the Graduate Ethics Training Course **FGS 600** by the applicable deadline for application for graduation, see *Academic Schedule*, section 2.0. Normally, students complete this course in their first term.

Sample Program

Below is a sample sequence of courses for your program. Keep in mind that this is only an example; you may find a different sequence works best for you. Also, note that not all courses can be offered every semester. So, please check our Course Timetables for course availability.
