

Education Minor

Concordia University of Edmonton

Faculty of Education

The Faculty of Education, in accordance with the Mission statement of Concordia, prepares students to be:

- Independent thinkers,
- Ethical leaders, and
- Citizens for the common good.

Program Focus

The Education Minor provides students with enhanced foundational knowledge of the field of Education, as a component of coursework within their undergraduate studies. It is anticipated that the Education Minor will serve students who choose to continue their studies in the Bachelor of Education (After Degree) program. It is also anticipated that it will provide students who choose other career paths, with an understanding of the field of Education that they can draw upon in their professional and personal lives as community members and taxpayers.

Program Governance and Administration

The Education Minor is under the mandate of the Faculty of Education and the supervision of the Dean of Education.

Program Requirements

18-24 credits required, with at least 9 credits at the senior level, to include:
