JANUARY 23 & 25

Concordia University Edmonton Career Services welcomes you to today's Career Fair!

We appreciate your support of the students and alumni at the CUE. Our annual CUE Career Fair would not be a success without your presence and participation. **Thank you!**

The CUE Career Fair is an opportunity for our students to learn about employment initiatives, programs and professional organizations that will further develop their academic endeavors and professional careers. You will have the opportunity to:

- Meet and interact with undergraduate students interested in internships, summer jobs, and graduate programs.
- Both graduate students and Alumni researching top employers to launch into their full-time career
- Network with Career Services and faculty to learn how we provide support to students and alumni including opportunities for setting up presentations and info-sessions to targeted disciplines.

Thank you for joining us today. **Have fun and enjoy your day!**

Tips for a Successful Fair

Make the most of your day with our suggestions:

- Get up and mingle around your booth-students and alumni are more likely to approach when exhibitors aren't hidden behind a table.
- Even if you aren't actively hiring, prepare a list of possible student possibilities that may open up in the future.
- Bring company swag or table items to give away- students love freebies!
- Get social with us! We will be active on the day of the event, so tag #CUECareerWeek2024 in your posts on Facebook, Twitter, and Instagram.
