CONCORDIA
UNIVERSITY
OF EDMONTON

STUDY ABROAD

With more than 92 partners across 34 countries, our International Office offers you incredible Study Abroad opportunities. Earn credit towards your degree while traveling! No second language required! To make this dream a reality funding is available, including travel bursaries provided by Concordia University of Edmonton (CUE).

INTERN ABROAD

Looking to gain valuable work experience while exploring a new country? Our partner universities often have internship opportunities available over the summer. Visit concordia.ab.ca/intern-abroad for internship opportunities and enhance your degree with international work experience.

SUMMER ABROAD

With opportunities spanning across the globe covering topics from health, business, literature, language, and more, you can spend your summer immersing yourself in new cultures, building new connections, and deepening your knowledge with one of CUE's partner universities. Spend 2-8 weeks with a summer program that combines travel, learning, growth, and fun. New opportunities are always popping up. Check out concordia.ab.ca/summer-abroad for more information.

In addition to this program, there may be others offered at our partner universities around the world. Please contact the International Office for more information.

MANAGEMENT DUAL DEGREE - CHINA

With CUE's unique four-year Management International Dual Degrees program, complete years one and four of your Bachelor of Management degree at CUE, and years two and three at the International Business School of Beijing Foreign Studies University (BFSU) in China. Graduate with two degrees—a Bachelor of Management degree from CUE and a Bachelor of Management or Economics degree from BFSU, China.

INTERNATIONAL ENGAGEMENT CERTIFICATE (IEC)

Add an International Engagement Certificate (IEC) to your bachelors degree at CUE! The program guides your development of intercultural skills, knowledge & attitudes, and strengthens your ability to support and understand the values of a diverse world. Take part in academic learning activities, study abroad or intercultural volunteering, and the Intercultural Engagement Reflection course. This comprehensive experience will equip you with a unique and valuable perspective, making you more adaptable and effective in our increasingly globalized society.
