Time: 12:30-1:00 pm
Venue: HA 207

The University of the Basque Country (UPV/EHU) in Spain uses Spanish and Euskara, the only pre-Indo-European language in Western Europe, as well as English for its international programs. Ranked among the top 500 universities in the Shanghai ranking, UPV/EHU hosts 1,500 visitors each year.

Recently, Dr. Loo visited UPV/EHU's campuses in San Sebastian and Bilbao and found their learning centres in urban and residential areas to provide wider access to education, and at the same time, experience the unique Basque art, culture, and cuisine in the two world class centres. Dr. Loo is excited to share about his Erasmus program so you too can have an unforgettable academic and cultural experience at the University of the Basque Country through the Erasmus opportunity.
