Summer School: Change Leadership

UCL University College, Denmark

A short-term blended study exchange:

The course gives a broad and updated introduction to change management. The academic content is based on the understanding of change management as a complex contextual and processual phenomenon. The approach is based on a learning theory, and cognitive perspective.

The course is advanced and is relevant for students within the field of business. It's a prerequisite that the student has had the fundamental business understanding course, typically lectured in the first 2 years of any bachelor's degree in business.

Time: 3 August 2026 – 21 August 2026 (3 weeks in total)

Location: Odense, Denmark

Tuition Fee: CUE students are exempt from tuition fees under the Exchange Student Agreement.

Application Deadline:

1 May 2026
